

Creeping through **wild forests...**

Canoeing from lake to lake...

Meeting people from Poland and Germany ...

Sounds **great**, doesn't it?

What about spending one week in **Masuria?**

You will

- ... **explore** Masuria's famous nature in several excursions
- ... **enjoy** swimming in the Masurian lakes
- ... **be amazed by** the atmosphere in one of the oldest primary forests in Europe
- ... **canoe** through the large lake system
- ... **learn** and **exchange** facts about Biodiversity
- ... **meet** and **get to know** young people from Poland and Germany during camp fires, music sessions, games and sport activities

Your chance

All you have to do is to join the seminar "Biodiversity live!" organised by Rodowo Foundation, Deutscher Jugendbund für Naturbeobachtung (DJN) and Oddział Akademicki Polskiego Towarzystwa Turystyczno-Krajoznawczego w Krakowie (OA PTTK). It'll take place in the seminar house of the Rodowo Foundation, an old Masurian farm house surrounded by lakes.

When? 10-16th October

Where? Rodowo-Camp in Sorkwity (Masuria, Poland)

Who? Young people under the age of 26

Requirements? Basic English and interest in nature

Costs? 100 € + travel costs

Deadline? 31th August

Questions & Application? Sven.Neudeck@naturbeobachtung.de
